No Flu Vaccinations required

#### **YEARLINGS**

Passport

All yearlings are sold subject to wind examination

Up-To-Date Flu Vaccinations required – See below

#### **BROODMARES**

Broodmare Passport

No flu vaccinations are required

Covering Certificate

Pregnancy Certificate (Dated within 21 days)

C. E. M. Certificate (Contagious Equine Metritis) – See below

E. V .A. Certificate (Equine Viral Artheritis) – See below

These certificates can be obtained from any equine veterinary surgeon

#### **CONTAGIOUS EQUINE METRITIS** (C.E.M.)

One swab from Clittoral Fossa taken within 30 days of sale – to be negative for C.E.M. N.B. It takes approximately 7 days to obtain a C.E.M. certificate from the day the swab is taken.

#### **EQUINE VIRAL ARTERITIS** (E.V.A.)

A blood sample taken within 30 days of sale to be negative for E.V.A. Animals that have a negative result will be allowed enter the stable complex. Animals that have had a positive result for the first will need confirmation that a second test was taken and that the result was either negative or positive with a stable or declining titre. No certificate will mean mares/ fillies will not be allowed onto the premises.

#### **FLU VACCINATIONS**

2 primary injections to be given not less than 3 and not more than 13 weeks apart. If time permits a booster injection should be given not less than 5 and not more than 7 months apart. A further injection should be given every year.
